On Saturday, Jan. 7th and Jan. 14th, we will be having crucial work parties at the range, clearing the paths and shoot lanes and prepping the course for our first shoot on Sunday, Jan. 15th, 2012. Any and all members that can lend any amount of time would be greatly appreciated. Work parties begin on both Saturday's at 8am. Course for Sunday's shoot will be set up on the Saturday of Jan. 14th, 2012. Also new this year, Cowtown Bowmen Hats will be given out for your labor and time, so make sure to try to help out and get a free hat. Looking forward to this new exciting year for Cowtown Bowmen and hope to see you all out there.

2012 LOOKS TO BE BIG YEAR FOR COWTOWN TO INFUENCE NEW AND YOUNG ARCHERS !!!

This year the club is looking to expand our reach to children and new archers, so please keep an eye out for any opportunity to bring someone new to our club. We are very interested in increasing our membership and making a push to reach the youth and get them outdoors. The club is also working with a number of organizations, including the Texas Parks & Wildlife Dept on various programs to get people outdoors to enjoy our sport.

2012 COWTOWN BOWMEN MEMBERSHIP DRIVE SHOOT & CLUB SHOOT #1 – JAN. 15TH, 2012

On Jan. 15th, 2012, Cowtown Bowmen will hold its Annual Membership Drive Shoot. We will be combining this shoot with our Club Shoot #1 so those of you that are shooting for Club Championship honors, this will qualify as one of the two [three Club Shoots on schedule] required club shoots to qualify for club championship awards.

Please come out and shoot the Membership shoot and keep in mind, if you sign up and join the club at the shoot, this shoot is free. We are also asking all members to make an effort to bring a friend, whether it is a past member who has grown away from the club, a co-worker who also bowhunts, or a child in your family that may enjoy a day in the woods with you, learning about our sport.

Congrats to Jake Crawford on this 10pt Buck. This is Jake's 10th Buck taken with a bow and this one was shot at 12 yards. Great job Jake. 😊

FIELD ARCHERY COMING TO COWTOWN BOWMEN

At our meeting on Thursday, Jan. 5th, 2012, the Club Officers made a decision to move forward on the pursuit of building a Field Archery range at the Cowtown Bowmen facility. The motion approved provides for the Club to meet with various archers familiar with Field Archery to aid and assist in our developing a plan that will best suit our facility and members. Once it is confirmed that a range can be accommodating at our location, that will meet the Field Archery standards, we will vote to approve the funding of this project. We believe this will further diversify our club and add valuable members to our ranks.

If you have any questions or concerns, please come to attend our next club meeting or contact a Club Officer and we will be glad to relay that information at the next club meeting for you.
