## VOLUNTEERS NEEDED TO HOST CLUB SHOOTS

As mentioned in the last newsletter, we need club members to volunteer to host club shoots next year as this will directly affect how many shots Cowtown Bowmen is able to put on next year. Please contact one of the Club Officers if there is any way you can help out as we are beginning the process of figuring out next year's shoot schedule. We thank you for your help and appreciate all that our members do to make Cowtown Bowmen shine.

## **LETTER FROM GEOFF KLEIN – NEWLY ELECTED PR & MEMBERSHIP DIRECTOR.**

I would like to say a big thank you to the Cowtown Bowman Archery Club.

This was my first year as a member of Cowtown Bowmen and it was a great year. The officers and members made this newby feel so welcome, as if to make me feel as though I had found a home.

Last year I had seen a thread posted on [Texasbowhunter.com](http://Texasbowhunter.com) inviting anyone that was interested to come out and see the facilities. My wife and I came out and we were immediately made to feel welcome by Rocky, who showed us around.

Wanting to improve my shooting skills for hunting, I was encouraged to start shooting 3D with the club. At my first shoot I was completely lost and didn't have a clue as to what to do. Well it wasn't long before a veteran shooter took me under their wing and showed me the ropes. I didn't shoot in the top five but then again I didn't finish in the bottom five. I had a ball. Throughout the season, I sometimes shot well and sometimes shot lousy but each and every time I learned something.

Officers and members alike have mentored me. They have given valuable advice, loaned me arrows and equipment to try and have become lifelong friends.

For what I have received from Cowtown Bowmen, I gladly give back. The dedication, service and hard.....very HARD work that is given freely by the officers of this club is an inspiration to me. If I am to reap the benefits of this club I can do no less than to partake in the sweat and toil that allows this club to succeed. I would like to encourage each member to give of themselves at least once a year or possibly more so that some of the work load could be spread a little thinner on the backs of those who have taken upon themselves to insure that your archery club and range is the best that it can be. Don't just be a member.....be the reason why Cowtown Bowmen is the best.

After joining the club a year ago, the members have decided that since I enjoyed helping Cowtown so much this past year that I would be even happier if I had more responsibilities. Therefore I have been elected to the positions of Membership & PR Chairman and Range Captain. I gladly accept these positions and pledge to give my best to Cowtown Bowmen in order that this be the best archery club, with the best range in Texas.

Again, thank you Cowtown Bowmen for giving me a great year of fun and fellowship.

I look forward to serving the members of Cowtown in the next year.
