OCTOBER 2013

### 2014 BUDGETARY COMMITTEES HAVE BEEN SET AND CHAIRPERSONS APPOINTED

Now that we have wrapped up our 2013 budget and the new Board of Directors and Club Officers have been elected, it is that time again to get to work on setting the club's operating budget for 2014. The club operates its budget from Sept. 1<sup>st</sup> thru Aug 31<sup>st</sup>, so it is important for the club to set a budget for expenses it expects for the coming year.

Committees will make proposals for budgetary spending for the club based on order of necessity and other improvements or additions they would like to see. It is very important that all members express their interests by either contacting a chairperson listed below and joining a committee, or expressing their thoughts so the chairperson can better know the direction the membership would like to see the club go. Proposed budgets will need to have hard numbers, so if there are additional expenses being sought by a given committee, they will need to have done the research, gotten any applicable quotes, and even have some contingency or alternative plans to propose.

These proposals will need to be finalized prior to the November 18<sup>th</sup> Club Meeting so that they can all be proposed to the Club Officer and the Board of Directors so we can ratify a budget for next year.

If you have any questions, comments or concerns, please do not hesitate to contact me as I will be more than happy to visit with you and pass your thoughts on to the board. Cowtown Bowmen is only the best Archery Club in the area because of one single thing, our members. Without you, none of this is possible.

Thank you,  
Chuck Hubbard  
Club President

# NATIONAL ARCHERY DAY @ COWTOWN BOWMEN

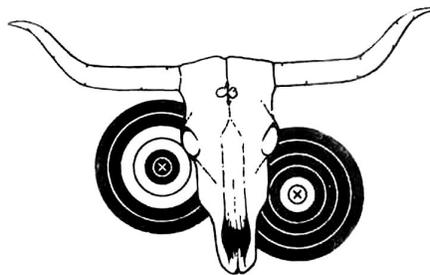

On Sunday, 09/15/13, Cowtown Bowmen hosted our Annual National Archery Day Shoot. Weather was a little muggy, but other than that the day was absolutely beautiful. We had set 20 targets in the woods with three themed lanes. We asked all of our shooters to vote for the themed target set up they liked the best and Cowtown Club Secretary Faith Wheeler took top honors by a huge margin with her customer tick target with an accompaniment of various other creepy crawly critters we encounter in our woods.

We also had a trailer graciously donated by Maxey Trailers and Charles Jones, with a retail value of \$1000. We had a long shoot with Genesis bows and Flu Flu arrows. If you hit the target you made it to the shoot down that was held after the drawings. Joe Crawford took the top spot and won the trailer in the shoot down. Congrats on some good shooting to Joe and all of our shoot down competitors.

Cowtown had well over \$2000 worth of drawing goodies to hand out. It worked out so that everyone in attendance won a prize. Huge thanks to all of our sponsor shops that donated to our club for this giveaway.

Had a wonderful time and so very happy to see everyone out that could make it. To those of you who missed it, we hope to see you next year.

Thank you,  
Chuck Hubbard

# MEMBER HUNT SPOTLIGHT

Cowtown member Bryce Olson had the opportunity to travel to the Alaskan Tundra to hunt the mighty Alaskan Brown Bear with his Recurve bow. Make sure to see our Facebook page for the full story and all of the pictures of this amazing hunt Bryce has so graciously shared with us.

TPWD Game Wardens @ National Archery Day Shoot.

I wanted to also take just a moment to thank our two TPWD Game Wardens who came out and spent the day with us. Chelle Mount and Travis Porter, thank you for your time and the valuable info passed on by Travis before we did the drawing. We also appreciate the 'Operation Game Their' trailer you brought out which is an impressive visual aid to show the actual impact of game poaching. Y'all rock.
