2014 Club Shoot Classes for Cowtown Bowmen

For 2014 we had some very good recommendations and the committee that oversaw the development of our club shoot series put in the hours to come up with changes we feel will make club shoots more competitive, easier to understand for new 3D shooters, and less confusing as well as open up some new classes tailored to attract new shooters to our sport.

We also have adopted the center 11 scoring method as the last few years we have had a lot of feedback that the old system of having half 12's n play sometimes and not other times was hard to understand to someone who is very new to archery. It was decided that we would make a change for a more simplistic scoring method in the hopes make it more enjoyable for all members, afterall that is what club shoots are supposed to be about, fun. :-)

Awards at Club Shoot now too.....

Be sure to stick around as we will now be handing out awards at all club shoots, so stick around after to see if you won something. On weekend shoots, awards will be done Sunday after last cards turned in.

Also make sure you note that you need to compete in at least **THREE** of the four club events to qualify for the Club Championship titles.

Our Awards committee did a great job at budgeting and planning for our club format and we think it is going to be a great year at Cowtown Bowmen Archery Club.

WINTER TRAD SHOOT - FEB. 22ND & 23RD 2014

Had some amazing scores turned in with the highest being a 374 turned in by Calab Ballard in Men's Longbow Open and Rusty Horn in Men's Recurve Wood. Great Shooting guys.

Men's All Around winner was Rusty Horn with a 3 score total of 1083 and the Women's All Around winner was Tina Williams with a 3 score total of 803. Awesome job and congrats to you both.

Overall it was a beautiful weekend, total of 125 scorecards, and some of the best traditional archers out there. Good to see y'all out there and thank you for supporting another Cowtown Traditional Shoot. We appreciate each and every one of you and look forward to the tradition of hosting these events for such a great group of people.

NEW SCORING FOR COWTOWN CLUB SHOOTS

We are changing our scoring for club shoots in an effort to help extend the life of our targets as well as simplify it for new shooters we hope to draw to our club shoots this year. We will be using the center 11 scoring system, with 12's and 14's no longer in play. In the past we had followed ASA scoring, but with last year's changes, we stayed the same with split 12's and 14 still in play, which we found added some confusion, especially for those new to the sport.

Please let us know if you have any questions.

FIELD ARCHERY RANGE UPDATE

Next Work Party – TBA

Ever since the club moved ranges, Field Archery has been one aspect of archery that we have not been involved in, and last year we invested in 14 back stops and brought on some experienced Field Archers to the board, Chris Hansen as Field Archery Director and Rhonda Wall as Field Archery Range Captain. With these two helping guide the club, and many others help, we plotted a range and are now ready to get it set up.

We have scheduled a work party to work on the Field Range for TBA. Please come out if you can, stay as long as you are able, and leave when you need to. Thank you.

Any questions, please contact Chris at fita1440@yahoo.com, or me at hubbace@live.com and we will do our best to address your questions.

FIELD ARCHERY WORK PARTIES

Saturday, Feb 1st, 2014, We had a short notice, impromptu work party to make some headway on the Field Range. Huge thanks to all that came out and made it possible to set all 14 back stops in the field near where their final placement will be. This is huge as it allows us access to the animal barns so we can get to targets for our upcoming 3D Shoot Season.

Again, hats off to all of these volunteers for their time and energy:
Kevin Hubbard, Gary Barns, Ty Sikes, Tim Whitaker, Chuck Hubbard and Ken and Dylan Willis.

Saturday, Feb 15th, 2014, we had a scheduled work party for the Field Range. Huge Thanks to All of our Volunteers

We had a work party this past Saturday and boy did we get a lot done. Much thanks to everyone who came out and lent a hand to make all of this possible. We were able to get more than half of the field range backstops set and cleared for the most part and even got the Winter Trad lanes picked and numbered so that all we will need to do on Friday's work party is set the animals. Again, thank you all for your help.

Volunteers:

Chris Hansen, Kevin Hubbard, Tim Whitaker, Bob Combest, Bo Read, Ty Sikes, Isaac Robertson, Norman Moreland and Chuck Hubbard.

COWTOWN CLUB CHAMPIONSHIP FORMAT CHANGES

The board also decided on a new format for determining our Club Championship. Last year we tried something new with the handicap format and we do feel it added some excitement to the club championship format, a side effect of that was fewer people in the running for our club title. This year's format was developed by a committee of members led by a board member and looks very promising to make the 2014 Club Championship a very exciting thing. Thank you all of those that volunteered for the committee and worked so hard on this format.

- There will be awards given out at Club Shoots, so be sure to stick around after the event to see who won and collect awards.
- Club Classes are as follow: Men Open, Men Hunter, Men Novice, Women Open, Women Hunter, Women Novice, Seniors, Traditional, Young Adult [15-17], Youth [13-14], Cubs [9-12] and Mini Cubs [8- under].
- Must shoot 3 club shoots to qualify for Club Championship running. Those three scores will be averaged and shooters will be arranged in 'flights' at Championship shoot which will have a shotgun 10am start time. The next four in each class will be arranged in 'flights' as well and so will the third group. Awards given will be a buckles and medallions for all classes young adult and above. Youth, Cubs and Mini Cubs will receive medallions.

COWTOWN BOWMEN CLUB Q & A

Email Questions to cowntowncowpatty@live.com

This is a new section of our newsletter that we will use to answer frequent questions regarding the club, meeting, funding for projects, volunteer opportunities, and range and facility rules. Please email all questions that you would like published to the above newsletter email account and we will do our best to get them in our next monthly newsletter.

Question: Do I need to keep my membership card on my person and what do I do if I suspect a non-member is at the range using the club's facility?

Answer: All Cowtown Members are encouraged to introduce themselves to other members at the ranges, and if you would like, or feel comfortable doing so, you are able to ask to see their membership cards. Cowtown Bowmen is operated on City of Ft. Worth Parks land, so we cannot stop people who are not members from walking into the property. We are able to not allow them access via our roads, and use of any club property including all seating areas, targets and facilities. We have not had a problem with our neighbors to this point and many use the property to walk their dogs. We have had a few instances where people who are not members have been caught on the property, possibly using our ranges and this is what we are hoping to curb. It is our belief that thru friendly interaction, we can reduce the likelihood that this is occurring. For questions, comments, or concerns, please contact a board member as soon as possible.
