## **CORRECTION!!!!!! EDITOR'S ERROR!!!!!!**

**I WAS MADE AWARE THAT IN TYPING UP THE CLUB CHAMPIONSHIP AWARDS, WHICH WERE PUBLISHED IN THE PREVIOUS COWPATTY ISSUES, I MADE AN ERROR AND BELOW IS THE CORRECTED FORMAT FOR HOW THE AWARDS FOR CLUB TITLE WILL BE AWARDED. MY APOLOGIES FOR ANY CONFUSION THIS MAY HAVE CAUSED. ☺**

### **COWTOWN CLUB CHAMPIONSHIP FORMAT CHANGES**

The board also decided on a new format for determining our Club Championship. Last year we tried something new with the handicap format and we do feel it added some excitement to the club championship format, a side effect of that was fewer people in the running for our club title. This year's format was developed by a committee of members led by a board member and looks very promising to make the 2014 Club Championship a very exciting thing. Thank you all of those that volunteered for the committee and worked so hard on this format.

- There will be awards given out at Club Shoots, so be sure to stick around after the event to see who won and collect awards.
- Club Classes are as follow: Men Open, Men Hunter, Men Novice, Women Open, Women Hunter, Women Novice, Seniors, Traditional, Young Adult [15-17], Youth [13-14], Cubs [9-12] and Mini Cubs [8- under].
- Must shoot 3 club shoots to qualify for Club Championship running. Those three scores will be averaged and shooters will be arranged in 'flights' at Championship shoot which will have a shotgun 10am start time. The next four in each class will be arranged in 'flights' as well and so will the third group. **Awards given will be a buckles and medallions for all classes, youth and above. Cubs and Mini Cubs will receive medallions.**

# Cowtown Bowmen Club Shoot #1

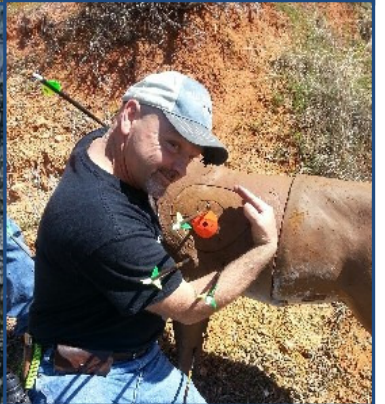

Weather was wonderful, little windy up top for the novelty shoot, but otherwise was an absolutely beautiful day. We had a total of 68 shooters, which is amazing for a one day club shoot. Scores posted below, congrats to all of our class winners. Medallions were given away for 1st and 2nd place in each class to youth class, with all cubs and minicub class archers received medallions as well. We also had a long shot novelty shoot, with a deer placed at 89 yards, closest to the bulls eye got half the jackpot. Congrats to Paul Brooks for winning some cash with a shot that hit 1-1/4" out.

Much thanks to Jose, our resident Taco Truck guy for providing some much needed grub after the shoot. He is planning on coming on Sunday at the next club shoot, so as long as we make it worth his while, he will be out there. Also huge thanks to all of our volunteers who helped set up, run and tear down this event. I know I am probably going to miss someone, but let me know and I will make note of it. Volunteer squad: Tim Whitaker, Ty Sikes, Faith Wheeler, Chuck, Robert, Charles and Kevin Hubbard, Bob Combest, Kevin and Chris Powell, Eddie, Kane, and Braden Woodward, Rusty Kidder, Barn, Vern Smith, Jesse, Madison and Jason Nelson, David and Conner Sears, TJ Schroder, David Regozzi, and Dan Streeter. Also thank you to Bob Combest for donating some really nice knives to be given away as door prizes.

I am sure I am leaving people off, but please do not think it is intentional. Much thanks to all of our archers, all of our workers, and all our members for making this all worthwhile. We are off to a great start for 2014 at Club Level, and we hope to see you in two weeks at the next Club Shoot, April 12th & 13th, 2013. 10am start on Saturday and 8am start on Sunday, cards in by noon, award @ 1pm.

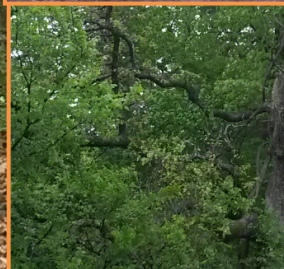

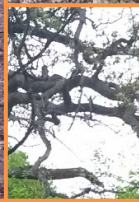

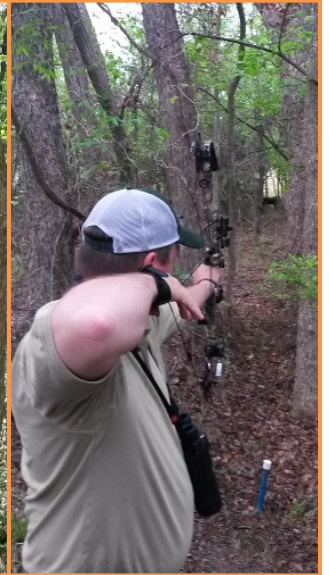

# Cowtown Bowmen Club Shoot #2

We had a total of 69 shooters for the weekend, despite having challenging weather and rain on Sunday. Much thanks to all of those who helped set up, run and tear down the course, all of those who came out and shot with us, and all of our wonderful members for making all of this worth it. Congrats to all of our winners. 😊

## 3D Practice Range now merged with Field range!!!

The 3D Practice Range is now back up and running and we have moved it to follow along the same path as the new Field Archery Range that is under construction. We have done this so that we can still offer a variety of shooting scenarios, allow our members to experience both field and 3D targets at the same time once the Field Range is completed, and this also allows for the absolute most effective way to provide the safest course for both without having to limit one or the other.

The 3D targets will begin on target #2 of the Field Range, so you will be able to park by the pavilion and the last 3D animal will be on target #13. We have done this so that we do not have any animals out in the open and visible from the main road in the hopes of limiting the likelihood that they might walk off. We will continue to rotate animals on the 3D range so that we will have a variety to shoot at.

We appreciate your understanding in the need for this change and also look forward to introducing all of our club shooters to a whole new slew of shooting lanes opened up by our very own Joe Crawford for the ASA State Qualifier we hosted in March. And this is just the tip of the iceberg in terms of what Cowtown's potential is in terms of new and exciting lanes. Please contact me or another board member if you have any questions.

Hats off to you Celeste, and thank you. :-)

## COWTOWN BOWMEN CLUB Q & A

Email Questions to [cowtowncowpatty@live.com](mailto:cowtowncowpatty@live.com)

This is a new section of our newsletter that we will use to answer frequent questions regarding the club, meeting, funding for projects, volunteer opportunities, and range and facility rules. Please email all questions that you would like published to the above newsletter email account and we will do our best to get them in our next monthly newsletter.

**Question:** On the 2-day club shoots, can I shoot more than one round?

**Answer:** You can but any additional rounds will be scored as fun rounds. First round you shoot the course, is your score for club standings in the class you are shooting in. If you would like to shoot another round for fun, in the same class or another class, you can. You can only compete in one class for club title, so the first class you shoot in, is the class your club standing will be scored in.
