STATIC RANGE WORK PARTY

AUG 3RD, 2014

We replaced (9) of the bag covers. We need to ask all members to help us make these last as long as possible, as the bags are not being turned. We had a few that we replaced that the other side was not shot at all, but since the front was so shot out, we had to recover them. If you notice the bag needs turned, please turn it. Also those shooters that are better shots, please alternate aiming at the different bullseyes, as the center appears to be getting 90% of the wear and tear. If you have any questions, please contact me or another board member and we will bring it to the attention of the board.

Much thanks to the following volunteers for coming out and helping get these targets covered: Bob Combest, Dennis Girard, Kevin & Chuck Hubbard.

Thank you,
Chuck Hubbard - Cowtown Bowmen

2014 ANNUAL MEETING BYLAW CHANGES

At the 2014 Annual Cowtown Bowmen meeting held on August, 18th, 2014, the following bylaw changes were proposed and voted on and passed.

We removed the Events Chairperson and Tournament Director positions and added the Club Shoot Director, Traditional Shoot Director and ASA Shoot Director. This was done to more clearly administer these shoots and give the directors authority to head up these events.

ARTICLE VII- BOARD OF DIRECTORS

A. The Board of Directors shall consist of the following elected officers and directors: the President, First Vice-President, Secretary/Second Vice President, Treasurer, four (4) Range Captain, Membership/Public Relations Chairman, Editor, Field Archery Director, Traditional Director, ASA Director, Club Shoot Director and Web Master.

We reduced the dues for the membership to maintain our commitment to the club to only collect enough funds to run the club and make improvements. With membership numbers up, we are confident that this reduction can be allotted to keep our club the best value in the area for a place to enjoy our sport. We also modified the Prorated memberships which will take effect as soon as we can update the memberships that the archery shops have and our online process.

ARTICLE X - DUES AND FEES

A. The membership dues of this organization shall become payable on January 1, of each year, and MUST be paid **in** full by February 1 to be eligible for any club awards given at the annual meeting. Dues of new members shall be prorated to prorated price from Aug 1 to December 31.

B. The membership dues shall be:

1. \$70.00 for new individual adult or family membership
2. \$50.00 senior membership (60 and over)
3. \$50.00 youth membership (15 and younger)
4. Prorated memberships starting Aug 1st calendar year
 - 08-01 thru 10-31 – Individual/Family - \$35.00
 - 08-01 thru 10-31 – Senior/Youth - \$25.00
 - 11-01 thru 12-31 – All Memberships \$20.00

This was increased to \$100 so that we can better and more expeditiously make needed purchases for gas, misc supplies, etc to maintain the range. We found that the \$50 amount could create an issue when we have to purchase gas for mowers and tractors.

E. RANGE MAINTENANCE

General range maintenance expenses under \$100.00 do not require full membership approval. Range and club expenses above \$100.00 must be presented and voted on by the general membership present at a regular monthly meeting or by two thirds majority of the board of directors.

BUDGETARY COMMITTEE CHAIRS TO BE APPOINTED @ COWTOWN MONTHLY MEETING

At the monthly meeting on Sept 15th, 2014 @ 7:00pm @ Spring Creek BBW in Lake Worth, committee chairpersons will be appointed to head up the club's 2015 Budget planning. If you are interested in serving on a committee, please attend this meeting and voice your opinions. Once Chairpersons are appointed, they will be tasked with proposing a budget for their part of the club operations. A committee will also be tasked with our club shoot format for next year, including all club level awards.

If you have any questions, please contact me or another club officer or board director and we will do our best to answer your questions, or bring them to the board at the next meeting.

COWTOWN BOWMEN CLUB Q & A

Email Questions to cowntowncowpatty@live.com

This is a new section of our newsletter that we will use to answer frequent questions regarding the club, meeting, funding for projects, volunteer opportunities, and range and facility rules. Please email all questions that you would like published to the above newsletter email account and we will do our best to get them in our next monthly newsletter.

Question – Who is included in a family membership?

Answer – A Cowtown Bomwen Family Membership covers you, your spouse, and your children under the age of 18. It does not cover, extended family members, adult children, and/or significant others whom do not live with you. If grandchildren live with you, it is the general consensus that they would also be included in the family membership. We do encourage members to take prospective new members to the range to introduce them to Cowtown, but ask this only be done one time per prospective member. If they would like to continue to shoot with you at Cowtown, we kindly ask that they join our club. It is our mission to keep our dues down so that our club remains the most affordable, member focused archery club in the area. If you have any questions, please feel free to contact me at any time, or contact another club officer or board members and if they cannot answer your questions, they will bring them to the board at the next monthly meeting, 3rd Monday of each month @ Spring Creek BBQ in Lake Worth. All members are encouraged to attend our monthly meetings to voice your opinion, see how the club is being run, or just visit with us and say hello. We look forward to seeing you.
