***** ANNUAL COWTOWN MEETING AND ELECTIONS – AUGUST 18TH, 2011 *****

Please come and join us for the Cowtown Annual Meeting and Elections to be held on August 18th, 2011 at Spring Creek BBQ on Hwy 199 just north of Hwy 820 at 7pm. Their address is **6701 Lake Worth Boulevard, Lake Worth, TX.**

[<http://www.springcreekbarbeque.com/lakeworth.htm>].

This is the meeting where club by-laws can be changed and our Club Officers positions will be elected.

Next year we are also considering doing away with the positions of Event Coordinator and Tournament Director, and instead going to be asking our members and officers to volunteer to direct an event. The person in charge of the shoot will be responsible to arranging the work party and recruiting helpers to work and set up the event. We already have volunteers for the two Traditional shoots as well as the membership shoot in January. The number of shoots our club will host next year will directly depend on how many people we can get to step up to the plate and volunteer for. We must have this information by the August meeting so we can get to work on next year's shoot schedule ASAP.

Cowtown Bowmen Club Shoot # 4 – July 31st, 2011

We held our final Club shoot heading up to our Club Championship shoot next month, this last Sunday, August 31st, 2011. We had 29 shooters show up to enjoy a great course.

Much thanks to the six volunteers we had to set up, the eight we had to help break down and Bob Combest for working the registration all day Sunday. We really appreciate the hard work of the volunteers who make each of our shoots a reality. Hopefully next year we will see more membership participation and setting up these shoots and breaking them down will not be such a strain on the same folks that donate their time to do so, time and time again.

~~~~ CALL TO ACTION – YOUR CLUB NEEDS YOU !!! ~~~~

Cowtown Bowmen Archery Club depend on it members for its ability to continue to maintain the range and put on some of the best shoots our region has had. In the past, we have had a small group of members who have donated countless hours and tremendous effort, and recently the ability of all of these people to be so active has reduced. Our core of volunteers is experiencing some major burn out and we need some new blood to help make Cowtown what it once was. In prior years, we have held a membership of approx 170-180 members strong, but last year we did not even break 100. With this low number, as well as all time lows showing up for club shoots [season high so far is about 30 shooters], we need to know what the members want Cowtown to be, and what our members are willing to help Cowtown be. We may be seeing a drop in attendance at club shoots, due to the extreme heat we have been having. Or possibly losing shooters to other local clubs and businesses that are having shoots on the same weekend as us. Could be the economy. We just need to rally next year to make Cowtown Bowmen the best club in the area, and get some help out there to make our range shine as it should. Please look forward to our Membership shoot in January and bring a non-member out. If you join that day you shoot for free and at \$75 per year per family for a standard membership, we are by far the most bang for your archery buck in the region.

If you have any questions, or concerns, please let a club officer know, or come on down to one of our monthly meetings every third Thursday at Spring Creek BBQ on Hwy 199, just south of Hwy 820 in Lake Worth.
