**SEPTEMBER 2012**

On August 20<sup>th</sup>, 2012, at the Annual Meeting for Cowtown Bowmen Archery Club, the below Board Officers were elected into office. We filled some positions that previously had gone unfilled and have some new faces to help push Cowtown Bowmen back to the forefront of premier archery clubs in the region.

2013 is certain to bring some very exciting things to our club and we look forward to serving our membership to the best of our ability. Please do not hesitate to contact one of us to voice any concerns, or suggestions that will help our club and the sport of archery on the whole. Thank you.

## **3D RANGE IS UP AND OPERATIONAL!!!**

Thanks to lots of hard work by our dedicated volunteers, the 3D range is done. Please note that all of the club's range rules apply to the 3D range. Absolutely no broadheads are allowed at the range, nonetheless shot into any of the club's targets. This is due to insurance restriction and city restriction pertaining to our lease, so please do not even bring them to the property. We have evidence that someone has been shooting broadheads at the range and ask all members to be vigilant about this safety rule as it could result in some serious consequences for the club if there were an incident. Please also park in the designated area and don't drive on the trail.

# Jake Crawford - Cowtown's Own

## Congrats for an Amazing 2012

Cowtown Bowmen would like to take a moment to congratulate our very own Jake Crawford on a very impressive 2012 Archery Season. Jake won all 3 club shoots in his class, as well as won the Club Championship in his class. He also won Texas ASA Championship for his class and Shooter of the Year. Jake also took top honor the Texas DAIR Indoor State Championship and came in 4<sup>th</sup> in the Paris ProAm. He also won 6 of the state qualifiers in his class.

Jake has begun school at Stephen F. Austin University this fall and we all wish him the very best. We have retained him as a Range Captain as we will certainly be using his help setting up some shoots next year. You make us proud Jake. 😊

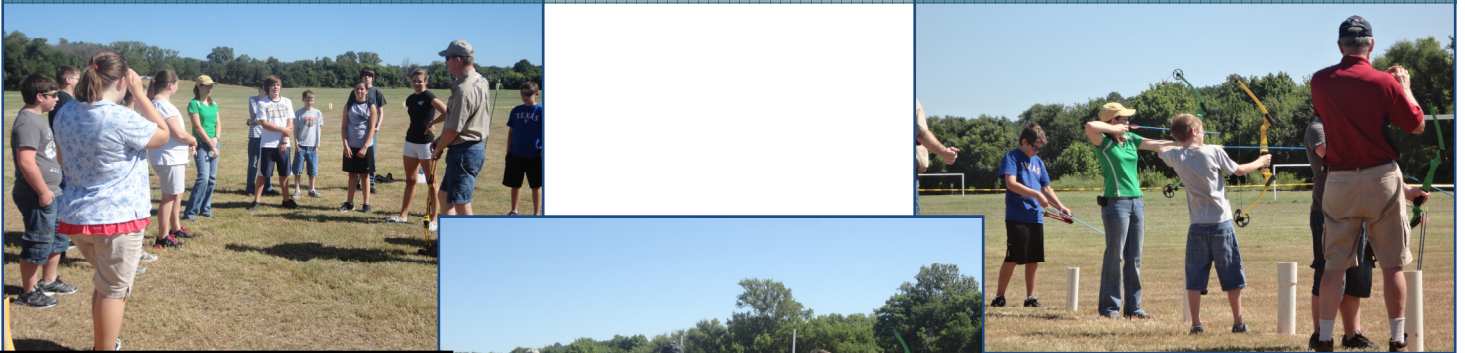

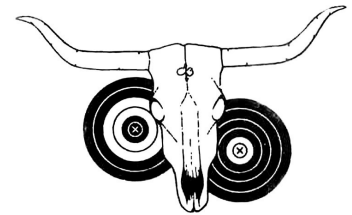

## Cowtown Reaches Out To The Youth

On July 18<sup>th</sup>, Cowtown's very own Joe and Art Crawford did an archery seminar for the Azle Public Library. They were reading the Hunger Games and wanted to incorporate archery, so Joe and Art volunteered their time on short notice. They had 16 kids show up as well as 2 coaches from Azle High School to assist. Azle High School will be coaching the NASP program this coming school year. This is great for our sport.

This note is from the administrator at Azle Library, "I am sending a big thank you your way! Yesterday's archery program was simply wonderful. The kids had a fantastic time, as did the staff. Thanks for being so generous with us!"

**THANK YOU JOE AND  
ART FOR BEING SUCH  
GREAT  
AMBASSADORS FOR  
OUR CLUB AND OUR  
SPORT.**

## STATIC RANGE IMPROVEMENTS IN MOTION

New bag targets have been ordered for the Static range and will be installed as soon as they come in and we can arrange a quick little work party to get them hung.
