## AUGUST ELECTIONS ARE UPON US.....

So it is once again that time that we will cast our votes for our club officers and board of directors, which will take place at the Annual Club Meeting to be held on August 17<sup>th</sup>, 2015 @ 7pm. I cannot stress enough how important it is that you voice your opinion, get involved, and be active in the club as all of our successes are directly tied to our wonderful members.

Also take note, the Annual Meeting is when we can amend the club's bylaws, and a draft of those changes will be presented at the August meeting for review and vote. These changes will amend some of the roles on the board and also update the club's mission and vision statements, which are important for the club to maintain its tax status and continue our commitment to community involvement and archery outreach. All of these changes will be presented at the Annual Meeting as agreed on at the previous monthly meetings and put forth to vote into the bylaws.

All of this being said, this is why your voice is imperative to the direction our club continues towards in the future. All of the board of directors and club officers need to hear from you. Whether it is an idea you have for an improvement, a concern for something you would like addressed, or even a pat on the back for their efforts and energy put forth to help run the club and its day to day operations.

Thank you,  
Chuck Hubbard – Cowtown Bowmen President & Editor
